Parent & Student Athlete Uniform/Equipment Form

Student athletes are required to turn in all school issued uniforms and equipment two days after the last scheduled game of the season. These items are expected to be turned in CLEAN and in the condition in which they were issued. Failure to return issued items will result in an invoice being sent to the parent(s) / guardian(s) for full replacement cost. The same policy will hold true for lost or stolen school issued items. Please keep in mind that replacement prices are quite costly.

By signing below you agree to the above policy and agree to pay replacement costs of all damaged, lost, or stolen school issued athletic uniforms and/ or equipment.
